### TOPEKA BANK FAILURE.

State Fund, Lodge Funds and Large  
Private Deposits Held Up.

Saturday morning last the First National Bank of Topeka, the Devlin bank, failed to open on account of the financial difficulties of C. J. Devlin. Mr. Devlin owes this bank of his \$1,100,000 and a dozen other banks sums of from \$25,000 to \$300,000, his liabilities aggregating upwards of \$3,500,000. Since then two Devlin banks in Illinois have closed and a general business flurry in three or four different states have followed. The treasurer of Kansas had \$547,000 of state funds on deposit in the Devlin bank, and Mr. Devlin was on the State treasurer's bond for about this amount. The Knights and Ladies of Security lodge has \$75,000 tied up in the bank. So far no report from the temporary receiver has been forthcoming. It seems to be the general opinion that there will be heavy losses by depositors. Mr. Devlin has been at the head of various banks, vast coal mining interests, and has also been building roads. A sudden illness produced a tie-up in his business affairs all along the line and his heavy overdrafts have brought affairs to a crisis. At present the Devlin affair and many other things connected with it look like a new chapter in Frenzied Finance.

### THEY CARRIED REVOLVERS.

Girls in Male Attire Arrested at Florence  
Claim to Live at Dodge City.

The city marshal here received a message on Monday from Florence, Kansas, stating that two girls dressed in men's clothes had been arrested there and that they claimed to live at Dodge City. There were no girls missing here so the Florence officers were informed that Dodge had no claim on the girls. Marshal John Madden later got a letter stating that the two girls who were about 17 years old had been working in the harvest fields near Florence. They were dressed in cowboy clothes and wore big revolvers.

### Surprise Party.

A delightful surprise party was given at the home of Miss Nellie Chapman on Tuesday evening by the Y. M. U. club in honor of Miss Lillian Grimes, who will soon leave for her home in Colorado Springs. The shooting of fireworks and games afforded a jolly time during the earlier part of the evening. The prize for a novel flag hunt was awarded to one more familiarly known to the club as "Edward K. Bok," after which a dainty luncheon was served. The table was appropriately decorated with flags, firecrackers and cannons and the refreshments throughout carried out the national color scheme. The menu written upon shields was masqueraded under Stars and Stripes, Bombs, American nuts, Topedoes, Cocked Hats, Old Glory. Music and a social time completed an enjoyable evening.

### FOURTH RACE MEETING

Good Crowd at the Park on Tuesday  
Afternoon.

A large portion of the citizens of Dodge City and a number from out of town spent the day at the park here on July 4. In the forenoon the shooters had charge of the program. A three event trap shoot was held a good number of entries being in each event. The first event at fifteen was won by Harry Hubbard 12, first; S. S. Green 11, second; E. Allen, 10, third. The second event resulted, John Miller, 11, first; Hubbard, 10, second; Bennett, 7, third. Third event, Miller, 14, first; E. E. Green, 10, second; Hubbard, 9, third.

The races drew quite a large crowd in the afternoon.

The 2:25 pace was won easily by Gallagher's Kamsig, Wilkinson's "Robert H", second.

Dalton's "Bird" won the 3 minute trot, second money being divided between Chas. States' "Queen" and Wm. Wilkinson's "Phylomath."

"Maud" owned by Crutchenley won the 300 yard dash; "Spot," Robt. Dowdy, second; and Mody's "Wanita," third.

The play race was won by Whitelaw Hubbard's "Butler", Dowdy's "Suorty" second and Thompson's "Jimmy" third.

In the half mile dash, "The Nurse" a filly owned by Stubbs Bros. came in ahead of "Shamrock", owned by A. H. Holmes of Greenburg.

Quarter mile race, "The Nurse" first and "Clipper" second.

The mule race was easily won by Ben Ferguson's "Jennie". The other long ear entries who filled the also ran list were "John R. Gentry", "Maud S." and "Crescens."

The relay race had but two entries, Stiller winning easily from Rice.

### ITS UP TO MIKE.

Prominent Kansan Suggests Unique  
Feature for Dodge Reunion.

Many people over the state are interested in the big meeting to be held in Dodge City the first week in August, and they are baying more or less to say regarding the event. Among others heard from is the new general attorney for the Santa Fe, Judge Wm. R. Smith. Judge Smith in a letter to Judge Madison suggests a stunt for Mr. Sutton as an entertaining feature of the big meeting. The letter follows:

Hon. Edward H. Madison,  
Dodge City, Kansas.

My dear Judge:

Meeting you and Mike Sutton and the rest of your committee in Kansas City the other day has prompted a suggestion which may contribute to the success of your soldier's reunion in August. Just now the old soldier fills himself daily with press reports of the battles between the Russians and Japanese. I suggest that you have a Japanese speech made at your reunion. You can get a Japanese in Denver for \$2 a day, possibly a better one for \$3. Have him come to the reunion and address the multitude in his native tongue. Mike Sutton can stand up at his side and interpret what he says, having a speech pre-arranged in which personal recollections of the oratory of Admiral Togo and General Oyama are given, with a comparison of the Japanese civilization with ours and other things which the ingenuity of Mike may suggest. If Mike is too modest to take this conspicuous part a Japanese can be procured who can talk English and Mike could write his speech for him, giving such harrowing details of the war in the far East as the old soldier might demand. I merely suggest this as a unique way of entertaining the old soldier.

With kindest regards, I am,  
Yours truly,  
WILLIAM R. SMITH.

### LET'S SHOW 'EM.

If You are From Missouri Come For-  
ward and Say So.

On Folk Day at the reunion there will be a big parade. This parade is to be headed by Governor Folk of Missouri, accompanied by Ford county people who are from that state. Dr. O. H. Simpson cheerfully admits that he is from Missouri and he wants to find as many ex-Missourians as possible before reunion time. Dr. Simpson will undertake to organize the Missouri contingent and get them in line. If you're from Missouri communicate with Dr. Simpson at once.

Our Colorado citizens should also get in the game to look after Ex-Gov. Adams.

The Ft. Dodge citizens can furnish a fine escort for Gov. Hoch in the parade.

If the lodges of Dodge City have energy enough to get into the parade, and every body else helps the thing along it can be made a big feature of Folk day.

### The Diamond Cure.

The latest news from Paris is, that they have discovered a diamond cure for consumption. If you fear consumption or pneumonia, it will, however, be best for you to take that great remedy mentioned by W. T. McGee, of Vanier, Tenn. "I had a cough for fourteen years. Nothing helped me, until I took Dr. King's New Discovery for Consumption, Coughs and Colds, which gave immediate relief, and effected a permanent cure." Unqualified quick cure for "Throat and Lung Troubles." At Rath & Bainbridge drug store; price 50c and \$1.00, guaranteed. Trial bottle free.

Mrs. O. E. Neill gave a Fourth of July luncheon to a few of her young friends in honor of the Misses Inez and May Wilson of Chicago. The other guests were Misses Grace Gwinner, Maude Rhodes and Sadie Hanna. The table was prettily decorated in red, white and blue. The favors were miniature cannon crackers filled with fudge in the shape of cannon balls, to which were attached red, white and blue ribbons extending up to the center piece (a giant cannon cracker) which was fired off immediately after luncheon. The place cards were red, white and blue.

### IS THE WATER BAD?

Something is Causing a Great Deal of  
Sickness.

Is the city water bad enough to be a menace to health? Of late it has looked bad, tasted rather bad, and it doesn't smell particularly good. Along with this the doctors have been hustling about calling upon patients who are attacked by a peculiar stomach disorder. One physician stated this morning that if the city water was not wholly responsible for the trouble that in his opinion it was at least partially responsible.

The town is just at the stage now when an epidemic may be looked for. If the water is causing the trouble, people should find it out. If the water is good it would be quite a consolation to know it. It would be a good plan to have the city water carefully examined, at once. There is too much sickness that seems unaccountable. After a succession of deaths will be a poor time to figure out the cause of it.

### CAMP AT GROUNDS.

Home People Can Secure Tents at  
Reunion Grounds.

A number of Dodge City people are preparing to take an outing at the park during reunion week. There will be plenty of tents so that home people as well as the visitors may camp upon the grounds during the week should they desire to do so. All who desire to secure private tents should apply to Secretary Arment for them.
